## Chapter 1 by Lex

I wanna hear the song lyrics that make you cry, laugh, or angry whenever you hear them.

"There was a time when I was alone  
Nowhere to go and no place to call home  
My only friend was the man in the moon  
And even sometimes he would go away, too

Then one night, as I closed my eyes  
I saw a shadow flying high  
He came to me with the sweetest smile  
Told me he wanted to talk for awhile  
He said, "Peter Pan, that's what they call me  
I promise that you'll never be lonely," and ever since that day

I am a lost boy from Neverland  
Usually hanging out with Peter Pan

Always on the lookout for new friends

Always on the lookout for new friends  
Peter Pan does fly, I'm the  
one who's always on the lookout for new friends

Neverland is home to lost boys like me  
And lost boys like me are free  
Neverland is home to lost boys like me  
And lost boys like me are free

He sprinkled me in pixie dust and told me to believe  
Believe in him and believe in me  
Together we will fly away in a cloud of green  
To your beautiful destiny  
As we soared above the town that never loved me  
I realized I finally had a family  
Soon enough we reached Neverland  
Peacefully my feet hit the sand  
And ever since that day

I am a lost boy from Neverland  
Usually hanging out with Peter Pan  
And when we're bored we play in the woods  
Always on the run from Captain Hook  
"Run, run, lost boy," they say to me  
Away from all of reality

Neverland is home to lost boys like me  
And lost boys like me are free  
Neverland is home to lost boys like me  
And lost boys like me are free

Peter Pan, Tinkerbell, Wendy Darling  
Even Captain Hook, you are my perfect story book  
Neverland, I love you so  
~~You are now my home sweet home~~

You are now my home sweet home

Forever a lost boy at last

And for always I will say

I am a lost boy from Neverland

Usually hanging out with Peter Pan

And when we're bored we play in the woods

Always on the run from Captain Hook

"Run, run, lost boy," they say to me

Away from all of reality

Neverland is home to lost boys like me

And lost boys like me are free

Neverland is home to lost boys like me

And lost boys like me are free" ~Lost Boy; Ruth B

## Chapter 2 by m a r i e

(Lost boy by Ruth B is one of my favorite songs!)

Well I've been around

Since before the trains came through

Well I've seen a lot

But the first time my heart broke in two,

Was when they brought those Johnson brothers back,

To their momma with a flag

Well I'm a small town

There's hundreds just like me

Yeah but I'm the one

Up and down the street

When you learned how to ride

Up and down my street

When you grew up

And couldn't wait to just get out

I'm a small town

Where everyone knows everyone  
There ain't no secrets around here  
Sonny there you love me  
You hang me for everything I am  
Either I hold your heart  
Or I hold you down

I'm a small town

Just a dot there on the map  
If you blink you miss me  
Yeah well go ahead and laugh  
But I'm where you kissed your first someone  
I'm where you hit your last home run  
I'm where you lay your grandpa in the ground

Yeah, I'm a small town

Where everyone knows everyone  
There ain't no secrets around here  
Sonny there you love me  
You hang me for everything I am  
Either I hold your heart  
Or I hold you down

I'm a small town

You left in a cloud of dust  
Big city bound  
But I never once gave up
